

Green Plant Foods
Always green . . Always fresh

WELCOME

Green Plant Foods Company is a promising Egyptian company specialized in the field of production and export of agricultural crops. The company was established in 2024 and chose the Egyptian city of Rashid to be its headquarters and the beginning of supplying its local products to global food markets.

OUR PRODUCTS

The company is currently focusing on sweet potato production, Taking into account the use of the latest agricultural technologies and the best fertilization and control programmes to obtain a high-quality agricultural product with high export specifications, with emphasis on the existence of a future map to include the production and export of other agricultural crops.

VISION

To become a renowned leader in the global export of premium agricultural products, recognized for exceptional quality, sustainability, and ethical sourcing.

We envision a future where our dedication to excellence fosters a thriving international network of farmers, consumers, and partners who share our commitment to a healthy planet and a secure food system.

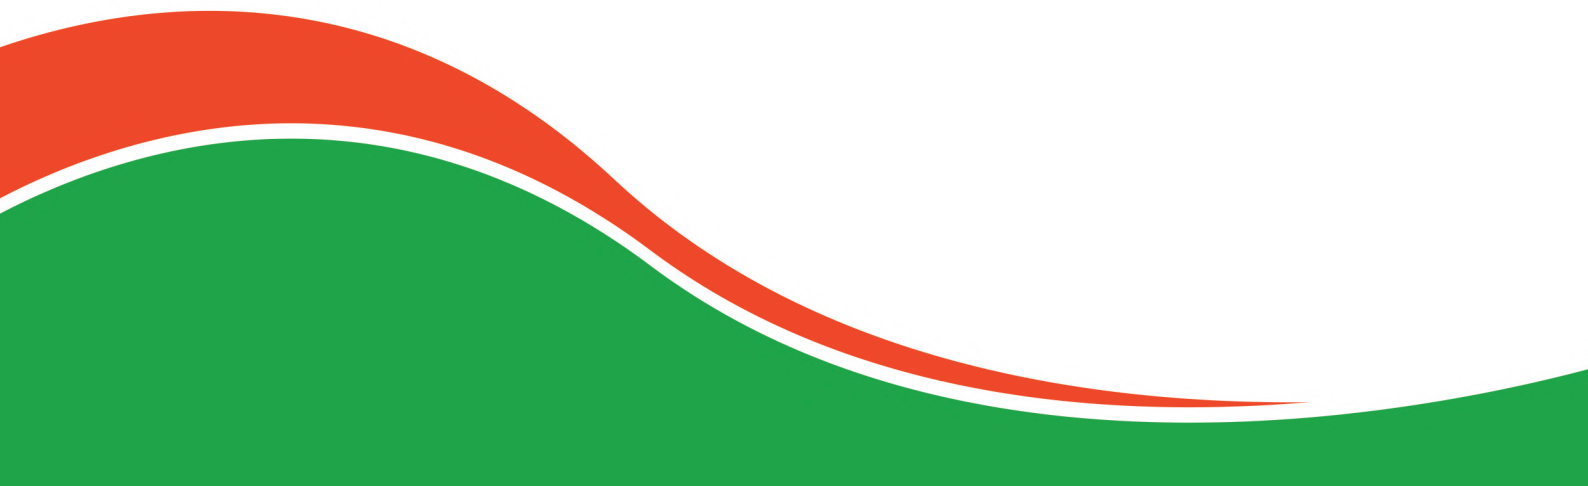

MISSION

We are driven to bridge the gap between dedicated farmers and discerning international consumers. By implementing responsible sourcing practices and fostering strong partnerships, we ensure the delivery of fresh, wholesome agricultural products that meet the highest quality standards. Our commitment extends beyond just produce; we champion sustainable agricultural practices that protect our environment and empower our partners for the future.
